

THE NAB IS WRONG. REJECT THE NAB'S PETITION 04-160. XM HAS THE RIGHT TO OFFER TRAFFIC AND WEATHER TO ITS LISTENERS. I PAY FOR IT THROUGH MY MONTHLY SUBSCRIPTION RATE - ITS NOT FREE.

THE NAB NEEDS TO LOOK AT THEIR OWN PROGRAMMING WHICH IS A DISASTER FOR LOS ANGELES LISTENERS AND THE REASON WHY I MOVED FROM ANTENNA FREE RADIO TO PAID SATELLITE RADIO, I HAVE BEEN A DEDICATED SUBSCRIBER TO XM SINCE ITS START IN NOVEMBER 2001. ANTENNA FREE RADIO NEEDS TO ACCEPT THE FACT THAT THE COMPETITION CAN OFFER A BETTER PRODUCT AND PEOPLE WILL PAY FOR IT. JUST LIKE I FLY COACH WHEN OTHER PAY FOR FIRST CLASS. ITS A PAID CHOICE.
